

UNIMORE
UNIVERSITÀ DEGLI STUDI DI
MODENA E REGGIO EMILIA

DIGITAL BADGE

As from academic year 2023/2024, **the digital badge replaces the traditional student card** and becomes the recognition tool available to Unimore members who have authenticated themselves for the first time on www.esse3.unimore.it with SPID or have been personally identified by the Registrar's Office.

The digital badge is also active for all students regularly enrolled for the academic year 2022-23.

The badge is available within the **UNIMORE app** and can be viewed quickly on one's smartphone; it contains all the data needed to identify enrolled members: first name, surname, matriculation, department of affiliation.

It is the **identification tool** to be shown to lecturers in order to **take examinations**.

It can be used for **library access and local transport subscriptions**. In addition, if presented at the appropriate venues, it may entitle you to **discounts and concessions**

<https://www.unimore.it/en/services/free-time-activities>

For **ERASMUS students** or students from other incoming mobility programmes, the badge will be available and activated after enrolment. For more info, incoming.erasmus@unimore.it and moreoverseas@unimore.it

DIGITAL BADGE AND PUBLIC TRANSPORT

To activate your urban public transport season ticket, you must go to the central bus station ticket offices: in Modena at the bus station in Piazza Cittadella and in Reggio Emilia at the bus station in Piazzale Europa.

The "Mi muovo" subscription may be activated at the counters of Trenitalia.

All information on services and transport facilities (also relating to the Mantua location) is available at <https://www.unimore.it/en/trasporti>
